

Meow Bow Wow Fund

Our Meow Bow Wow fund is truly a Wow fund for cats and dogs. This fund was established to serve as a resource for rescue groups to help pay for medical needs such as spay and neuter operations and vaccinations required for pets to be adopted.

The Meow Bow Wow Fund will reimburse qualifying non-profit rescue organizations for the spaying and/or neutering of adoptable dogs and/or cats and for the vaccination of dogs and/or cats commensurate with requirements for adoption.

If you are an animal rescue group seeking reimbursement, please view our guidelines [here](#).

Donating for a cause...

If you care about pets and their wellness, please donate today! A small contribution won't make any difference to you, but will make a significant change in a pet's life.
